# Hawks Happenings

June 2011

## President's Message

I am proud to announce that The Hawks Nest at Woodside now has pitch lighting. This will be a wonderful facility for the Club and for the wider Adelaide Hills community. The Club still has several significant infrastructure projects on its plate. These include drainage works which need to be completed before the Junior Pitch can be lengthened to its intended size, car parking and of course a clubhouse.

More about the Club's exciting plans are in this Newsletter.

Meanwhile, all our teams continue to compete very creditably, come rain or shine, mud and at times numbingly cold conditions, with mixed success.

Well written articles in the Courier are the best way to follow our progress (and of course [www.ffsa.com.au](http://www.ffsa.com.au) has tables and other information). I am very grateful for the authors of those Courier match reports which present our Club in a very professional manner.

Best wishes to you all. I hope you enjoy this Newsletter.

## The Future is Bright in the Hills

On Saturday 28<sup>th</sup> May after the three senior men's matches had finished President Ans Papini and Treasurer Bronwyn Hudson turned on the pitch lighting at the Hawks Nest at Woodside. Players walked around the pitch area and gave it the strong 'thumbs up'. This marks another important stage for the development of the Hawks ground at Woodside and reflects the hard work of Committee members and volunteers which has seen the installation of electricity, creation of a new Junior pitch and training area, together with new underground drainage and pop up sprinkler system on the main pitch in the past three years. T

The Club is grateful to these two organizations for their financial assistance and collaborative working on these projects.

The lighting was installed by Sports Lighting which has the FFSA recommendation as having installed many of the soccer pitches in the Adelaide Parklands and elsewhere in the metropolitan area.

It was made possible by a grant from the Adelaide Hills Council (AHC) and the State Government Office for Recreation and Sport (ORC) as well as Club funds.

The Club will make the facility available for a minimum of 10 days per year to the wider community should they wish to make use of the facility. AHC also contributed to the Junior Pitch and ORC to the training area.

## Clubhouse News

### Fundraising fun

Lulu Hyder and Jacey Dye got the Club's new campaign to build a new clubhouse off to a great start - even before it has been launched.

Pictured at right are the girls selling their tasty homemade cookies in the Hawks Clubhouse as it is today. They handed over their profits of **\$46.00** to Hawks Committee members Bronwyn, Mel and Ans (below). This will be the first deposit in a specially established account which will be for the sole purpose of building the new Clubhouse.

### Club history

In 2003 the Hawks volunteers built the current changing rooms. These have been essential for the club to play home games at Woodside.

Soon we will be calling on our wonderful volunteers again to help build a clubhouse where players and supporters can gather.

More information about our fundraising plans will be released shortly.

## Girls on fire!

The U15G Hawks squad trained with Adelaide United Lady Reds player and Women's Premier League leading goal-scorer, Racheal Quigley, on Tuesday 31 May. The session was held in the St Michael's Lutheran School gym at Hahndorf.

After some skills work and goal shooting practice, the girls formed two groups to play an action packed and very entertaining game of indoor soccer. Balls were going

everywhere, and there were smiles all round, but Quigley maintained her composure to slot the winning goal and secure a 7 – 6 win for the bibs. Racheal said after the practice that she had a lot of fun. 'It was actually a really good work-out. I'm sweating,' she laughed. Racheal will be coming out for training again soon, and can't wait to watch our U15G Hawks girls play.

## But it's not all hard work ...

Sam Aukland's Under 15 girls seem to be enjoying themselves after the formal photo shoot. They are having good times on the pitch too it seems. The girls sit top of the table after 8 rounds with 18 points having recorded only one loss.

Keep up the good work girls.

### **Georgia**

Hawks Women's State team star Georgia Williamson was called up to the Westfield Australia U17 Women's training camp in Canberra from May 19- 22<sup>nd</sup>. Georgia was one of three South Australian representatives in the 26-player squad which ran at the AIS in Canberra.

### **Connor**

Under 19s Goalkeeper, Connor Hudson was called up to participate in the Arafura Games where he performed very creditably and benefited from a great experience. The Arafura Games are a week long multi-sport competition held every two years in Darwin, and are the major sporting event hosted and managed by the Northern Territory Government. The Arafura Games targets developing athletes across the Asia Pacific region and beyond.

### **Alison**

Alison Atkins has recently been selected in the FFSA U14 Girls' State team to attend the FFA National Championships in July in Coffs Harbour.

Ali has played for the past 3 years with the Hawks and is currently playing in the Women's State League competition. She has also been part of the U14 State Development Squad for the past 4 months and is currently representing the Adelaide Hills in its rep teams for the 2011 State & Country Championships.

## *Special Thanks*

### **Jeanette Chappel and her son**

who have planted over 40 shrubs on the Hutchens Road boundary. This is to help with screening the wind and also beautifying the grounds. Thanks Jeanette. Still 100 to go !!

**Canteen helpers** who are doing their rostered times on Sundays, averaging about \$400.00 each Sunday.

**Everyone who helped** to put up the posts for the catch nets for the main pitch. The nets have been ordered and should be up soon.

## Club news

### Senior Men

The Senior Men's teams are all finding it tough going this year in the Premier League. Injuries and suspensions, together with a young and relatively inexperienced squad, are taking their toll. Coach Doug Patterson is looking forward to a strong second half of the season as the Firsts hopefully string a few wins together.

*Above: The Hawks First team welcomes the visiting Enfield Falcons to the Hawks Nest.*

### Drainage

Mud, mud, glorious mud! We hope to see the end of scenes like this in the not to distant future, once our siteworks have been completed. The Adelaide Hills Council has agreed to provide materials to complete some of the drainage works alongside Hutchens Road. When funds are available the Committee hopes to be able to make some significant improvements so scenes like this will be a thing of the past.

### Membership

The Hawks are always looking for new members. A membership form is included with this newsletter.

### Tax-deductible donations

We are now in June, so it is a good time to contribute to the ASF in support of your club projects. You will receive a tax deduction for this financial year. The AFS will need to have received and processed your donation by **Thursday 30<sup>th</sup> June 2011**. This means cheque/cash donations deposited into the ASF bank account and credit card donations processed through the AFS credit card terminal by close of business (5pm eastern standard time) on **Thursday 30<sup>th</sup> June 2011**.

The form to do this is also included at the end of this newsletter.
